Adaptability	<ul style="list-style-type: none">•Capable of learning most things quickly•During highschool and work, everything taught was learnt quickly•This skill has been developed and learnt throughout elementary and high school•Applied throughout job training and daily life

WORK EXPERIENCE

August, 2020 - Current	Supervisor German Doner Kebab, Ottawa, Ontario
------------------------	--

- Further honed the skill of customer service due to dealing with customers
- Some customers would be dissatisfied with the service and therefore had to be taken care of
- Good communication skills were used to communicate with customers and co-workers
- Customer service skills and communication skills can easily be transferred
- Also further honed the skill of quick learning since training wasn't long, so the training needed to be learnt quickly
- This skill can also be transferred

June, 2019 - June, 2019

Sales associate

Rocket Fireworks, Ottawa, Ontario

- Gained customer service skills due to dealing with customers all the time which is a skill that can easily be transferred
- Capable of being responsible since the money and stocked needed to be counted
- There was barely any training so learning had to be done quickly
- Quick learning is a skill that can easily be transferred
